Dear Jim:

I received your note of June 14 and appreciate your concern over the operations where you visited in Northern Europe. We have been kept reasonably well informed, and are aware of the situation there. I would, nonetheless, be quite interested in a chat with you when you have your next opportunity to be in Washington. Several actions are under consideration now which will likely affect those activities.

We will be pleased to receive your notes on the CCIR meetings.

Sincerely yours,

10/Pete
